

*Death and Burial Record of Marie Anne Fortin  
Wife of Étienne Miranbeaux*

The image shows a rectangular frame containing a handwritten record in French. The text is written in a cursive script and is somewhat faded. It appears to be a death and burial record. The first line starts with 'Sep' (Sepulchrum) and 'le 28' (the 28th). The second line mentions 'Marie Anne Fortin' and 'de quarante ans' (of forty years). The third line mentions 'Fortin' and 'reçu les sacrements de pénitence' (received the sacraments of penance). The final line is partially obscured but seems to end with 'à Paris' (in Paris).
