

Marriage Record of Elias Lather and Anna Elisabetha Schmidt

The image shows a handwritten entry from a church book, written in a dense German cursive script. The text is written on a light-colored paper with a dark border. The entry describes a marriage between Elias Lather and Anna Elisabetha Schmidt, dated July 1st, 1802. The text is somewhat difficult to read due to the cursive style and some ink bleed-through from the reverse side of the page.
